This year has been something of a roller coaster for many of us. At the Picture House, we started the year worried that we were likely to close, before enjoying our busiest summer since we took over the cinema eight years ago. It seems clear that, even — or especially — when times are tough, people still value the shared escapism that cinema offers.

We're continuing to try to hold prices down as low as we can: as well as our flat rate of £5 on Mondays, we're reintroducing a Saturday Morning Cinema slot with tickets for all ages reduced to £3. Whether we can continue this into 2023 depends entirely on how many people take advantage of it, so please keep spreading the word.

Thank you to everyone who has supported us by buying tickets throughout this year. We hope you have a happy Christmas and a safe and healthy New Year. And don't forget — our cinema gift cards make ideal presents!

Gareth & Sam

This autumn, we're bringing back four of the year's biggest family films at a specially reduced price. For these special 10.30am shows, everyone pays just £3, whatever their age.

EXHIBITION ON SCREEN: HOPPER

Edward Hopper's work is the most recognizable art in America – popular, praised, and mysterious. But who was he, and how did a struggling illustrator create such a bounty of notable work?

This new film takes a deep look into Hopper's art, his life, and his relationships. Combined with expert interviews, diaries, and a startling visual reflection of American life, Hopper brings to life America's arguably most influential artist.

LIVING

1953. A London shattered by WWII is still recovering. Williams (Bill Nighy), a veteran civil servant, is an impotent cog within the city's bureaucracy as it struggles to rebuild. Buried under paperwork at the office, lonely at home, his life has long felt empty and meaningless. Then a shattering medical diagnosis forces him to take stock and to try and grasp fulfilment before it goes beyond reach. LIVING is the story of an ordinary man, who makes a supreme effort to turn his dull life into something wonderful: one he can say has been lived to the full.
